

Twin Rivers EZ PAY:

Simple, Easy, Accurate & Secure

Scan your card into the Navicure system and we take care of the rest.

Make payments automatically without the hassle of having to remit payments on-line or through the mail and no collections calls from the clinic. No checks, no envelopes, no stamps, no late fees and no worries!

Accurate

Pay only what you owe. After your insurance has paid, any outstanding balances will be processed seamlessly and accurately. No more confusion on when to pay or how much to pay. We send e-mail notices prior to payments and e-mail receipts once payments are processed.

Navicure adheres to the industry's highest standards (Level 1, PCI Compliance) for encrypted transmission and storage of financial data.
